Ha! Kris indicated that all had some level of effort completed already, so none were de novo. We'll see how this plays out

The devil is in The details of how much effort those fit for purpose projects take. Could be some good quick wins (I hope?).

Maybe the Pollyanna rubs off when I'm on paternity!

We are trying to get revised slides done before weekend. Warmer in terms of categories?

## Ex. 5 Deliberative Process (DP)

We will clarify with our branch chiefs that accepted means the topic should have some level of staff attention in FY21 and adjust accordingly

The IRIS Program is wrapping up the redo of the FY21 IRIS Nomination cycle that was initiated by the IOAA in March. Jennifer has asked to be briefed on the results of the nomination cycle. We are hoping to brief the IOAA the week of May 31 (after Memorial Weekend) or the week of June 7. The list of attendees the IOAA has requested is below along with the names of key staff in CPHEA.

Thanks in advance for your help with this and let us know if you have any questions.
